### **7. Planning**

7.1 To consider the following planning application:

Date received	Application No:	Address	Details	EPC Comment
24-10-2016	S.16/2247/COU	Churchend Nurseries, Churchend Eastington	Proposed development to include alterations and repairs to existing mill building; into a single residential dwelling (Change of use to residential). Development to include the demolition of existing timber, steel and glass derelict green house structures, structural repairs necessary to retain existing structures and roofs. Minor alterations to facade for new glazing to existing openings. Proposal to also include a two story contemporary extension and a store for machinery/tools	EPC considered the proposal against the NDP and whilst it doesn't meet one bullet point within EP2, the Council felt on balance the application should be supported as it brings a disused site back into use.
