- 4 Approval of the Minutes of the Council meeting held on 9th February 2017:** RESOLVED to accept the minutes.

- 6 Changes to the order of business.** None

The meeting was opened up for Public question time.

Mr Edwards requested that items 8.3 and 8.4 be brought forward; the Chairman noted that the agenda is very short and it was felt there was no need to bring the items forward.

Mr Booth circulated proposed plans for a new dwelling adjacent to his property; Council will discuss the matter at the next Full Council meeting and respond to Mr Booth by email.

Mr Edwards addressed the meeting regarding item 8.4 (speed humps on Alkerton Road); he noted that the amount of traffic along Alkerton Road has increased in the past 12 months with heavy goods vehicles. The HGVs using the road during the night wake the residents. Mr Edwards would like the speed humps removed as part of the resurfacing works as they increase the noise of the traffic.
