Minutes of the Meeting held on 12th July 2016 at 7.00pm in Eastington Methodist Hall

- 1 Attendance and apologies for absence** In attendance Cllrs Bullock (Chair), Corrie (Vice-Chair), Loveridge, Bomberg and Simmons. There were 11 members of the public. Also present District Councillor John Jones. Apologies received from Cllrs Allen, Cozens and District Councillor Stephen Davies.
- 2 Declarations of interest in items on the agenda.** Cllr Loveridge declared an interest in agenda items 9.3 and 9.5.
- 3 Chairman's announcements** – Cllr Bullock thanked Cllr Corrie for Chairing the Council during her absence.
- 4 Approval of the Minutes of the Council meeting held on 14th June 2016:** RESOLVED to accept the minutes.
- 5 Outstanding actions from previous meeting:** Cllr Simmons and Cllr Corrie still need to take forward the maintenance of the milestones. Item 9.6 notice board – permission to be sought from the Co-op supermarket and also to check the size (Clerk).
- 6 Changes to the order of business.** None.

The meeting was opened up for Public question time.

Several residents raised the issue of car parking outside the Badger Inn at the entranceway to Victoria Drive and also obstructing private driveways. It is also a hazard with cars driving around the parked cars into oncoming traffic. Cllr Corrie responded that the Getting Around Group has been looking at the issue and noted that the Badger Inn has utilised some of its car parking for outdoor space which has made the problem worse. However, the Council doesn't currently have any suggested solutions but is looking at options and has plans to hold a public meeting. The Police Community Safety Officer will also attend the meeting. The public meeting will be advertised in the Eastington Community News. It was suggested installation of bollards to prevent parking on the corners of the entrance to Victoria Drive and double yellow lines. Concerns were raised that preventing parking outside the Badger will move the problem elsewhere. Cllr Bullock will request the PCSO to look at the issue.

Mr Booth addressed the meeting concerning the planning application to re-develop Claypits Farm and raised concerns that the Parish Council supported the application when it objected to his application for a new dwelling. The Council explained that the Committee supported the Claypits Farm application because it was a redevelopment of an existing site, and the 800 metre sustainability zone in the draft NDP had been removed by the independent examiner. Mr Booth asked if he re-submitted his application would it be supported; Council responded that it couldn't say until it received the application.

To receive a report from the District Councillor John Jones: Millend Cottage application will go to DCC on 9th August, Cllrs Jones and Davies will be in attendance. Cllr Jones noted that the Neighbourhood Warden may be able to help with the parking problem.

7. Groups / Meetings / Reports

- 7.1 Cllr Corrie gave a verbal update from the Getting Around Group; the public meeting will look at speed issues as well as parking.
- 7.2 No update from the Churchyard & Burial Ground Group.
- 7.3 No update from the Resources Group as no meeting since the last report. Next meeting will be held in August.
- 7.4 Cllr Bomberg noted that the Strategic Planning Working Group needed additional members apart

Subject: Mill cottage , parish council meeting 28th June 2016

Dear Mrs Shirley

I am writing in dismay at the Eastington Parish Council decision to object to our planning application based on inaccurate and deliberate misinformation.

I am a new resident to Eastington and my excitement at becoming a local resident in a beautiful village has become a stressful time. Separated from my son during the build process is difficult enough without a minority making the process longer than is needed.

Eastington has approximately 1600 residents of which 10 residents objected (5 houses) which is less than 1%.

I believe this decision was made unfairly and without a visit to my home to ascertain factual evidence.

Objections on the above evening include,

1, loss of two parking spaces from the mill - the mill plans states there must be 8 parking spaces for mill residents, there ARE 8 parking spaces to the mill excluding ours. By relocating our garage to the side we have created 2 additional parking spaces as well as garage parking for 2. The garage has not yet been commenced as we are waiting confirmation by the planning.

2, parking at front of house narrows the lane. - The original garage position finished directly on the lane which meant reversing blind on to a busy lane . There was also a telegraph pole blocking the view so new position to the side is much safer, and does not finish directly on lane. However the original historic buildings finished directly on the lane and were there for many decades.

I would like to point out the highways agency have no objections.

3, change in position of house- the back left corner has been moved forward just under 1 metre under instruction from building control due to difficult build conditions. The closeness of the river bed and tree roots has resulted in unstable ground conditions. A steel engineered foundation was installed. Protection from bank erosion and subsidence is paramount . This 1m difference is not visible from any of the objectors houses the nearest being over 60 metres away.

4, sewage - not an issue for this application , dealt with under original Millend plans.

All the above points played a part in your decision to object to our plans, resulting in a deferment for decision by committee. None of above are correct.

I would like to add that I am a self builder making my dream home not a developer as I am often referred to. Millend Mill has recently won an award that all residents should be proud of.

The residents of Eastington have been welcoming and I look forward to becoming an active member of this lovely village. I hope that neighbourly relations can be built in the future with those opposing our home.

I would like to invite the parish council to view my home to see for themselves.
I would ask the parish council to withdraw its objection decision and ask that Councillor Davies withdraws his deferment as this was made under false information.

Kind regards
Jo Williams
Sean Bryan

Subject: representation on GAPTC Executive Committee

To council members in Stroud district

Our Executive Committee consists of three representatives from each of four districts in the county, plus one clerk representative.

One of the three members on the Executive Committee elected from Stroud district has resigned. The remaining two are Jean Hanks (Quedgeley) and Norman Kay (Nailsworth).

We are inviting nominations from councils for a new representative to be received here by Friday 23rd September (allowing for the August break which many councils have). If there is more than one nomination, we will hold an email election, with an announcement at the end of October.

The Executive Committee meets 6 times a year, usually at Highnam Community Centre and in the afternoon. Its role is to steer the direction of the organisation, ensuring that it delivers the services needed by member councils. It is also responsible for setting the membership fee in the autumn of each year so that councils can budget for their subscription.

We look forward to receiving your nominations.

Kind regards

CO-OPTION

Introduction

Legal Topic Note 8 -“Elections” describes in detail the circumstances which permit and legislation relating to the co-option of persons to fill the vacancies in a parish and community council (“a local council”). The purpose of this Briefing is to identify and recommend good practices in respect of a co-option process.

Public notice of vacancies

s.87(2) of the Local Government Act 1972 (“the 1972 Act”) requires a local council to give public notice of casual vacancies. There is no statutory requirement to give public notice of local council vacancies which remain unfilled after an ordinary election (s.21(2) Representation of the People Act 1985). NALC recommends that councils give public notice of vacancies which arise in both circumstances to encourage transparency and to attract more candidates. NALC also recommends that the public notice given by a council invites applications from candidates who satisfy (i) the eligibility criteria for being a councillor and (ii) the competencies listed in a person specification, agreed by the council. More information about (i) and (ii) is below.

(i) Eligibility for co-option

A person is eligible to be co-opted provided he is qualified to be a councillor pursuant to s. 79 of the 1972 Act and is not disqualified pursuant to s.80 of the 1972 Act. Legal Topic Note 8 provides full commentary about the provisions of sections 79 and 80 of the 1972 Act.

Candidates standing for a local council election must submit to the Returning Officer a form (prescribed by Part 7 of the Local Elections (Parishes and Communities) (England and Wales) Rules 2006) which (a) confirms their consent to nomination and (b) includes a declaration that they meet the aforementioned statutory qualifications to stand for election. However candidates who wish to be co-opted on to a local council are not subject to such requirements. To ensure that councils consider for co-option only those candidates who are eligible to be councillors, NALC recommends that councils require candidate(s) for co-option to declare or certify in writing that they:

- meet the criteria for eligibility, set out in s. 79 of the 1972 Act, to be a member of the council

and

- are not disqualified, pursuant to s.80 of the 1972 Act, to be a member of the council.

A council may need to investigate or obtain evidence about a candidate’s eligibility to be a councillor if this is challenged.

(ii) Person specification

After receipt of a candidate's written self-certification which confirms he meets the statutory requirements to be a member of a local council, the council will need to fairly consider if candidates are suitable for co-option. Candidates may be assessed by whether or not they meet the criteria in a person specification, agreed by the council. An *example* of a person specification is in the Appendix to this Briefing.

Decision making

The decisions made by a local council about (i) whether or not to co-opt when vacancies remain unfilled after an ordinary election and (ii) who to co-opt when vacancies remain unfilled after an ordinary election and when casual vacancies arise should be transparent. In NALC's view, it would be difficult for a local council to argue that there are special reasons which justify excluding the public during a council meeting, (s.1(2) Public Bodies (Admission to Meetings) Act 1960) when it is making decisions about a matter of public interest such as co-option. Decisions about co-option which are made at council meetings when the public have been excluded will not eliminate the need for a council to explain, for example to unsuccessful candidates, the reasons for its decisions.
