- 5 Outstanding actions from previous meeting:** None.
- 6 Changes to the order of business.** None.

The meeting was opened up for Public question time.

Sally Garrett addressed the meeting regarding their planning application ref S.17/2579/P3Q; they are hoping to convert a barn as the beef herd will need to be sold as the land used for grazing is rented and earmarked for development (Ecotricity and West of Stonehouse). The conversion will retain stables for shire horses and create a dwelling.

Mr Davies noted that he is no longer receiving planning alerts and the planning website has been difficult to access for weeks. Cllr Jones explained that SDC IT and Planning departments are aware of the issues and suggested EPC raise the matter at the Parish & Town Council meeting on 14th January.

Mr Davies also asked for an update regarding the Tree Preservation Order for the lime tree on Bath Road; Clerk will follow-up again with SDC.

Andrew Beamish the Neighbourhood Warden for Stroud District Council introduced himself; in addition to Eastington Andrew also covers Kings Stanley, Leonard Stanley, Fretherne, Saul, Whitminster, Frampton-on-Severn, Arlingham, Moreton Valence, Standish and Stonehouse. There are seven wardens in total, working two shifts covering 8am until 9pm. Neighbourhood Wardens get involved in a variety of activities and can signpost people to the correct department or organisation.

To receive a report from County Councillor Lesley Williams: Cllr Williams will pass on comments about the SDC planning system to District Councillor Tom Williams (Chair of DCC). Cllr Williams asked for an update on how the building at West of Stonehouse was progressing and any problems, Cllr Corrie reported that contractors have been starting very early some mornings (before 7.30am). Cllr Bomberg was concerned about large trees being cut down on the development. There is no update on the Ecotricity application and Cllr Williams was concerned that the traffic is worsening at the motorway junction. The County Council budget is due for public consultation and Cllr Williams urged all to take part. Cllr Bomberg highlighted concerns about the new incinerator; Cllr Williams ran through the history of how the incinerator was decided upon. Cllr Corrie asked if it was just Gloucestershire's residual waste, Cllr Williams responded that it was just Gloucestershire as far as known.

To receive a report from District Councillor John Jones: Cllr Jones updated the meeting on the Grove Lane speed limit discussions; the Police won't support a 40mph limit the length of Grove Lane. There will

be a traffic order consultation on a proposed limit of 30mph from Chipman's Platt to Westend, 40mph through Westend (as currently) and 50mph the remaining length to Whitminster (as currently). Cllr Jones asked Cllr Williams to look at the matter. There has been no full district council meeting this month although there was a meeting to discuss the Subscription Rooms, the disposal by sale has been decided against and now SDC is looking at 30 year lease options. The cost of waste collection is an issue and the Standards Committee will be looking at this matter. Cllr Jones has raised concerns about lack of police presence in the Severn ward.

The Strategic Planning Working Group met on Thursday 4th January 2018 at 4pm.

Present: Mr D James, Mr G Griffiths, Mr S Gribble, Mrs P Allen, Mr T Low, Mr E Davies, Mrs J Shirley (Clerk)

Apologies: Cllr Bullock, Cllr Chatterley, Mr M Campbell

Local Plan review: Deadline for consultation was 5th December 2017, presumably SDC is now analysing the responses. DJ has heard that Stroud DC may have asked by Joint Core Strategy for Gloucester, Cheltenham & Tewkesbury to make provision for more housing to accommodate a shortfall in JCS numbers.

S.16/0043/OUT – Ecotricity revised application has been received by SDC and validated but not yet consulted upon or loaded onto the SDC website.

S.14/0810/OUT – various reserved matters applications for West of Stonehouse:

- S.17/0095/REM – parcels H6 & H7 owned by Redrow. Main concerns are still the removal of vegetation along the bridleway and the location of the footpaths plus clustering of the affordable housing. Application is to be considered by Development Control Committee on 9th January 2018 and Planning Officers are recommending approval with delegated authority to Officers. The group are concerned that the NDP policies are continuing to be overlooked and discussed methods to ensure policies are followed.
- S.17/2843/REM – Phase 2 infrastructure. Main concerns are the lack of public rights of way identified on the plan. Recommend the Parish Council to request a meeting with SDC and Hitchins to clarify PROW. Also talk to the Ramblers about their objection and see what more the organization can do to help ensure the PROW remain. **Action: Clerk.**
- Parcel H1 application anticipated along with H2, 3, 4, 5, 8, 9, 10 from Barratts showing a landscape buffer separating the development from Westend and Nupend. Recommend the Parish Council write to Planning Strategy as to the meaning of the structural landscape buffer policy in SA2. **Action: Clerk.**

NDP review / Environmental Character Assessment

Find out what GRCC can do to help work out a project plan and progress the ECA. Also ask Parish Council if it would consider an adhoc admin person with planning speciality to assist with the NDP review whilst the Clerk's hours are temporarily reduced. **Action: Clerk.**

Next meeting

Next meeting to be held on Thursday 18th January 2018 at 4pm.

Meeting closed at 5.10pm.

Report to:	Full Council
Date of Meeting:	11 th January 2018
Subject:	Installation of Defibrillators

We have two defibrillators to install – one is for Churchend by the Church and the second was for the Co-op but permission not granted. Alternative locations at Alkerton have been sought and landowner consent received from Old Badger Inn and Kings Head House Hotel. The Hotel is a listed building and we would need planning consent to install the defibrillator, suggest therefore that Council approve installation at the rear of Old Badger Inn.

Installation quotes received:

Churchend - £350+VAT for electricity connection only. We will need to dig a trench to allow a new supply to be connected; this still needs to be quoted.

Old Badger Inn - £280+VAT

Kings Head House Hotel - £250+VAT

Please note that only one contractor has provided quotes, despite seeking alternative suppliers no quotes received.

1. Council is requested to approve Churchend and one location at Alkerton
2. Council is requested to approve installation quotes
3. Council is requested to approve digging of trench to a maximum financial value and subject to Church consent.

The costs can be met from the earmarked donations received for the defibrillator project.

Storage box

We also need to order one external storage container; this costs £450+VAT for a Rotaid container as per the other ones installed in the parish.

1. Does Council approve the purchase? The cost would be met by the earmarked donations received for the defibrillator project.

BUCKINGHAM PALACE GARDEN PARTY – Tuesday 5th June 2018

Dear Members

I am asking for you to consider making a nomination with your Council's approval for attendance at:-

Buckingham Palace Garden Party; Tuesday 5th June 2018.

I am sorry there is a short turn around for the nomination which is needed by close of day **Friday 26th January 2018**. (GAPTC must record our nomination by 02.02.18.)

As you can imagine security etc demands very accurate information, so please follow the guide

We need to know **in writing (letter/email)** the reason why you have nominated the candidate for this special opportunity. Please note that any nominations received after the 26th January **will not** be considered.

Please note that GAPTC has been granted 4 places which usually consists of 2 nominees accompanied by a guest. Any costs incurred in attending the Garden Party will need to be met by each individual or council.

The Lord Chamberlain has asked us to highlight the following: -

- Invitations are in recognition of **PAST** service as Chairmen of Parish Council and Town Mayors in England and it is therefore appropriate that outgoing members, rather than those newly elected, should be invited to attend.
- Guests should **NOT** have previously attended a Garden Party. This must be emphasised to potential guests.
- It is essential that all details given to me are correct as inaccuracies have, in the past, caused distress and embarrassment. Please therefore ensure that all names and addresses reflect each guests' form of identification that they will be asked to bring with them e.g. Passport, driving licence to allow them to gain access to the event. If in doubt, please check with the guests. *For example, i.e. if somebody is known as Mike but the name as it appears on their passport is Michael John, please ensure that this is written on the form.*
- Ensure all nominated guests are accompanied, with each guest ideally being accompanied by one guest only.
- All names submitted must number within your overall quota. *(Therefore, a guest and companion are 2 guests).*
- Ensure that no one under the age of 18 years is nominated as a guest or to accompany a guest.
- Guests who require assistance **MUST** be accompanied and this must be made clear on the form. The entrance to and the grounds of the palace is accessible by wheelchair and disabled parking is close to the palace entrance. If disabled parking is required, this must be made clear to me.
- All nominated guests must be British or European Union citizens, although their guest(s) may be of other nationalities. However, all guests, nominated or accompanying, must be resident in the United Kingdom.
- Buckingham Palace have specifically stated that late changes to nominations cannot not be entertained by the palace. Therefore, once details have been submitted to the Palace by NALC this cannot be changed.

- Please remind your guest(s), that in the event they are unable to attend a Garden Party for whatever reason they will not be invited again.
- Invitations will be issued approximately 6 weeks prior to the Garden Party and this pack of information is very detailed. Your nominated guests might also find it helpful to follow this link - <https://www.royal.uk/garden-parties>

We will draw the successful nominations from the hat, and will ask for specific name and address details.

I look forward to hearing from you.

Please reply to Shirley on training@gaptc.org.uk

Yours faithfully

Alison Robinson
